TOMORROW FOCUS AG Records Special Items in 3rd Quarter of 2007

Munich, Germany, October 9, 2007 - TOMORROW FOCUS AG records  
nonrecurring special items in the third quarter of 2007.

Based on preliminary figures, TOMORROW FOCUS AG will realize  
exceptional profits of an estimated EUR 5.8 million from the sale of  
its shares in BELLEVUE AND MORE GmbH amounting to 41.7%.

Furthermore, due to the approval of the 2008 German Corporate Tax  
Reform Act (Unternehmenssteuerreformgesetz) by the Federal Council of  
Germany (Bundesrat), the Management Board of TOMORROW FOCUS AG  
decided on a one-time reduction of deferred tax assets by  
approximately EUR 1.9 million in the 3rd quarter of 2007.

Lastly, an efficiency enhancement program was approved in the 3rd  
quarter, resulting in nonrecurring charges against earnings for the  
3rd quarter to a total amount of approximately EUR 0.7 million.

Apart from that, the Management Board anticipates that the  
operational course of business will continue as planned in the 2nd  
half of 2007.
