Mercedes-Benz at IAA 2009
Green technology in fascinating cars for discerning customers

15.09.2009 - 14:57 Uhr, Daimler AG

Stuttgart (ots) - * New E-Class Estate - the largest and most comfortable luxury estate in its segment, and yet still a five-litre car

* New SLS AMG - super sports car with a highly-efficient V8, also available with electric drive starting 2013

* S 400 HYBRID - the first, and so far the only, European hybrid model, with the lowest CO2 emissions in its class

* Vision S 500 Plug-in HYBRID - en route to a three-litre car in the luxury class

* Concept BlueZERO E-CELL PLUS - electric car with a range extender for a range of up to 600 kilometres
