17 February 2010 - Fortune Management Inc. (General Standard, ISIN USU026281027, SIN: AOBLYY; "Fortune") has prevailed in defending against the complaint of HLSP Holdings Corp. Puerto Rico; in liquidation ("HLSP"). With decision of 15 February 2010 the Supreme Court of the State of Delaware as competent court of last instance has ruled comprehensively in favor of Fortune and confirmed the summary judgment decision of the lower court (see Ad Hoc of 2 February 2009) in its entirety.

Since the filing of the original complaint that was spearheaded by Fortune's former President Jack Takacs had created substantial disturbances in the company's restructuring process and hence caused assessable damages, management is now evaluating possible damage claims against the protagonists of the HLSP-claim.
