Results for the Full Year 2009

- Mobile Communication customer base increases by 6.4% to 18.9 million customers despite a difficult economic environment - Increase in access lines in the Fixed Net segment during 4Q 09 for the first time in more than a decade - Revenues decline of 7.1% to EUR 4.8 billion driven by lower Fixed Net revenues, FX movements and lower prices in Mobile Communication - Successful cost reduction in both segments reduces operating expenses and softens impact of lower revenues on EBITDA - 2009 target for operating free cash flow of EUR 1.1 billion achieved as Capex reduction compensates lower EBITDA on like-for-like basis - Based on full year results 2009, Management Board proposes dividend of EUR 0.75 per share - Reiteration of outlook for 2010 excluding the impact of the merger of domestic operations - Merger of domestic operations creates considerable customer advantage and meets increasing demand for convergent products
