HP LaserJet Pro MFP M225dn

This black-and-white desktop MFP increases productivity with automatic two-sided printing, built-in networking, security features, and mobile printing options.

Copy Resolution: Up to 600 x 600 dpi black (text and graphics); color (text and graphics)

Display: 2-line LCD (text)

Fax Resolution: Up to 300×300 dpi (halftone enabled) Paper Handling: 250-sheet input tray, 100-sheet output

Duty Cycle: Up to 8000 pages

Standard connectivity: Hi-Speed USB 2.0 port (host/device); built-in Fast Ethernet 10/100Base-TX network port; Phone line port (in/out)

Designed for productivity

- Save time and help reduce paper costs, using reliable automatic two-sided printing and copying.
- Just start printing, quick and easy—with the simple control panel.
- Reduce employee time at the MFP—using the automatic document feeder.
- Put this MFP to work, right out of the box—full-capacity, 1500-page toner cartridge included.10

Connect and protect your MFP

- Easily manage settings and help keep data secure with built-in features.
- Easily share this MFP using Ethernet connectivity.
- Connect via USB, and access tools at your PC to manage your MFP and supplies.
- Securely store print jobs, then print only what you need via secure authentication—right at the MFP.s

Printing made mobile

- Easily print from mobile devices at work, home, or on-the-go with this Mopria-certified MFP.^{2,9}
- Quickly print from your iPhone®, iPad®, and iPod touch®, using Apple® AirPrint™—no setup or apps required.®

¹ Wireless performance is dependent on physical environment and distance from access point, and may be limited during active VPN connections. ² Requires an Internet connection to the printer. Services may require registration. App availability varies by country, language, and agreements. For details, see the printer of the printer of the printer of the printer of the printer. Services may require registration. App availability varies by country, language, and agreements. For details, see http://www.hp.com/go/eprintcenter ⁶ HP Auto Wireless Connect may not be available for all system configurations. Wireless performance is dependent on physical environment and distance from access point. For information on compatibility, visit http://www.hp.com/go/autowirelessconnect B Available only in North America. HP Pull Print On Demand is available at no charge and requires the MFP be connected to the Internet with web services enabled. For more information, see http://www.hppullprintondemand.com ⁶ Wireless direct printing is standard on the HP Laser Jet Pro MFP MZ25dw only, Mobile device neads to be connected directly to the Wi-Fi network of a wireless direct-capable printer prior to printing. Depending on mobile device, an app or driver may also be required. Whireless performance is dependent on physical environment and distance from the access point in the printer. ⁷ Requires an Internet connection to an HP web-enabled printer and HP ePrint account registration. For a list of eligible printers, supported documents and image types, and other HP ePrint details, see hproonnected.com. Mobile devices require Internet connection and email capability. May require wireless access point. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary. ⁸ Supports Apple ⁹ OS XP (Lin, OS X Mountain Lin, and the following devices running iof S 4.2 or later: iPad® (all models), iPhone® (3G5 or later), and iPod touch® (3G7 depeneration or later). Works with HPS AirPrint-enabled printer

HP LaserJet Pro MFP M225dn Specifications Table

Functions / Multitasking Supported Print Speed	
	Letter: Up to 26 ppm black; ⁵ ; First Page Out: As fast as 8 sec black; ⁶
Print Resolution	Black (best): Up to 600 x 600 dpi
Print Technology	Laser
Print Resolution Technologies	HP FastRes 1200
Print Cartridges Number	1 (black)
Standard Print languages	PCL5c, PCL6, PS, PCLm, PDF
Printer Smart Software Features	HP ePrint, Apple AirPrint™, Mopria-certified, Instant-on Technology, Duplex printing, HP Universal Prin Driver and HP Web Jetadmin supported
Printer Management	Windows: HP Device Toolbox, Status Alerts (default install), SNP Alerts (minimum network install), HP Web Jetadmin (download); HP Scan; Scan to Email Wizard; Scan to Network Folder Wizard; Fax setup Wizard; HP Send Fax; LockSmith; FMS; RM; Mac: HP Utility
ican Type / Technology	Flatbed, ADF; Contact Image Sensor (CIS)

¹ Standard cartridge included; Declared yield based on ISO/IEC 19752 and continuous printing. Actual yields vary considerably based on images printed and other factors. For details see http://www.hp.com/go/learnaboutsupplies ² Power reported is highest values measured for all product models using all standard voltages. Values are based on preliminary data, see http://www.hp.com/go/lpinterclaims decuments. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. ⁴ Based on standard ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will increase the transmission time. ⁵ Measured using ISO/IEC 24734, excludes first set of test documents. For more information see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity. ⁶ Exact speed varies depending on the system configuration, software application, driver and document complexity. ⁶ Exact speed varies depending on the system configuration, software application, driver and document complexity. ⁶ Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MPPs to satisfy the demands of connected individuals or groups. ⁸ HP recommends that the number of pages per month of imaged output be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period. ⁹ Program features and availability may vary by country. For more information, visit http://www.hp.com/learn/suresupply ¹⁰ Scan speeds measured from ADF. Actual processing speeds may vary depending on scan resolution, network conditions, computer performance, and application
