## ***A Space for Unique Experiences: the Fraport Visitor Center as an Exclusive Event Location***

The Fraport Visitor Center can be booked as an extraordinary venue for business events attended by up to 200 guests, providing a phenomenal setting for gatherings of all kinds. It is flexibly configurable to support a wide diversity of activities and events including product debuts, presentations and press conferences, network meetings, festive receptions, and much more. They are uniquely enhanced by taking place among interactive aviation-themed exhibits against the backdrop of Germany's largest airport.

Panoramic windows provide a breathtaking view for attendees to enjoy: parking aircraft being tended by flocks of special ground vehicles appear almost close enough to touch. In the background, a constant procession of planes take off and land. And after dark, the scene transforms into an unequalled spectacle of moving lights. The facility itself is full of interactive displays that invite guests to explore the world of the airport. Its interior is permeated by internationality, digitalization, and the fascination of state-of-the-art technology and mobility.

Conveniently located within the publicly accessible part of Terminal 1, the Fraport Visitor Center is uniquely connected to the region and the entire world. It's easy to reach by car, train, bus, or plane. Additional conference and meetings facilities as well as hotels are within easy walking distance.

The Fraport Visitor Center boasts total floorspace of 1,200 square meters on two levels. It features an attractive reception area and can be flexibly furnished to suit virtually any kind of activity. Additional services such as catering, special equipment, decorations, and entertainment can be requested to ensure a

perfect event that, as an ideal finishing touch, can be excellently combined with an airport tour.

### **About Fraport AG and Frankfurt Airport**

Headquartered in Frankfurt, Germany, [Fraport AG](#) (Frankfurt Stock Exchange, MDAX) is one of the leading players in the global airport business. Fraport's portfolio of companies spans four continents with activities at 29 airports worldwide. In pre-pandemic 2019, more than 182 million passengers used airports in which Fraport has at least a 50 percent stake. Impacted by the Covid-19 pandemic, Fraport's majority-owned Group airports welcomed only about 86 million passengers in 2021. In fiscal year 2021 (Dec. 31), Fraport AG generated revenue of €2.1 billion and profit of some €92 million.

Fraport's home-base **Frankfurt Airport (FRA)** is strategically located in the heart of Europe at the junction of vital intermodal road, rail and air networks. The surrounding Frankfurt Rhine-Main-Neckar region serves as an economic powerhouse and logistics hub for Europe and the world. In 2019, FRA welcomed more than 70.5 million passengers and handled 2.1 million metric tons of cargo. Only 24.8 million passengers traveled through FRA in 2021, due to the Covid-19 pandemic. In terms of cargo, FRA ranks first in Europe with 2.3 million metric tons handled in 2021.
