

Precision timber joints with the cordless biscuit jointer from Einhell

Landau an der Isar, July 25, 2022 – With the TE-BJ 18 Li cordless biscuit jointer, Einhell Germany AG has added a specialist tool for crafting precision timber joints to its already extensive range of Power X-Change cordless tools. Thanks to the unit's solid aluminum design, this handy tool is perfect both for milling accurate biscuit dowel joints and for cutting slots. Individual adjustment options make the cordless, battery-powered device incredibly flexible and an indispensable addition to any workshop.

Wide range of adjustment options for maximum flexibility

Whether for model making or furniture construction: With the TE-BJ 18 Li Einhell cordless biscuit jointer, accurate milling of wood joints becomes an easy task. With infinitely variable height adjustment and a solid aluminum design, biscuit dowel joints and slots can be accurately cut in wood. And, thanks to the ability to freely adjust the angle setting up to 90 degrees, you can also cut perfect miters. In addition, the device features a six-stage quick adjustment mechanism for accurate milling depths up to a maximum of 20 mm. The cordless biscuit jointer is suitable for all standard biscuit dowel sizes up to size 20.

For comfortable and clean working

Thanks to the large additional softgrip handle, the powerful cutter always feels safe and comfortable to hold while you are working. The face spanner supplied with the unit can be used together with the integrated spindle lock for quick and easy cutting blade changeovers to make the cordless biscuit jointer even more flexible to use. As well as this, you can use the supplied dust bag or the extraction adapter to keep your workplace clean and dust-free. The adapter also makes the cordless biscuit jointer compatible with any Einhell wet and dry vacuum cleaner.

Cordless power for the workshop

The TE-BJ 18 Li cordless biscuit jointer is a new addition to the innovative Power X-Change family – which means that it is compatible with all of the battery packs in the range. The Einhell family of cordless tools already includes over 250 power tools and
