Popular format – new partnership – enhanced value! EXCHAINGE conference and Hypermotion trade show join forces to present ideas for the supply chain, logistics, mobility, and all things digital

Munich, August 24, 2018 – Popular format – new partnership – enhanced value: This year for the first time, "EXCHAiNGE – the Supply Chainers' Community" will be held in conjunction with the Hypermotion trade show in Frankfurt. The international EXCHAiNGE meetup on November 20 and 21, 2018, will once again bring together some 200 supply chain and operations experts to talk about next-generation management. This year's theme: "New Work & Digital Business" The highlight of this long-running industry event will be the presentation of the 13th annual Supply Chain Management Award on November 21. EXCHAiNGE is organized by EUROEXPO Messe- und Kongress-GmbH in Munich.

The Hypermotion trade show, presented this year for the second time by Messe Frankfurt from November 20 to 22, focuses on the digital transformation of transport, mobility, and logistics. Hypermotion and EXCHAiNGE complement each other perfectly, with a combined program spanning a wide range of forward-looking themes. EXCHAiNGE uses interactive sessions to link trends with the strategic core functions of the supply chain. Hypermotion's diverse mix of a trade show, conferences, and the Hypermotion Lab with its tech talks, pitches, and speed networking offers a stimulating environment that brings visitors into contact with new players and visionaries alike. Those who purchase a ticket to the EXCHAiNGE conference have the opportunity to visit the exhibit area and Hypermotion Lab at no additional cost on November 20 and 21.

About EXCHAINGE

The "Supply Chainers' Community" brings together movers and shakers from the worlds of SCM, finance, logistics, and purchasing. Representatives from businesses of all sizes – from start-ups to large enterprises – meet to talk about new business models, disruption, and approaches to successful integration. EXCHAiNGE offers roadmaps for navigating today's top issues: sustainability, culture and mindset, blockchain, big data, and artificial intelligence. Visitors get valuable tips on repositioning their businesses to become drivers of innovation with the goal of generating a critical competitive advantage. EXCHAiNGE stands as an established networking platform that keeps visitors engaged through stimulating case studies and illuminating roundtables.

EXCHAINGE accompanying program

Supply chain best practices: details behind the scenes (November 20, 2018) The jury-selected finalists for the **Supply Chain Management Award 2018** present their ideas. This year, we also introduce a new special prize: the Smart Supply Chain **Solution Award 2018.** The audience uses a voting tool to add its input before the jury convenes to select the winners. The moderator for the finalist pitches is Matthias Pieringer, Deputy Editor-in-Chief of LOGISTIK HEUTE, HUSS-VERLAG GmbH.

Please note: Companies can still apply for the award now through August 31, 2018! Learn more at: www.exchainge.de/en/award.

- Award Night ceremony (November 21, 2018) Honorary sponsor: Steffen Bilger (Member of the German Bundestag, Parliamentary State Secretary at the Federal Ministry of Transport and Digital Infrastructure); moderators: Harald Geimer (Managing Director, PwC Strategy & GmbH) and Dr. Petra Seebauer (Managing Director, EUROEXPO Messe- und Kongress-GmbH, Publisher of LOGISTIK HEUTE); presenter: Dr. Patric Spethmann (Managing Director and COO of Gries Deco Company GmbH/DEPOT, winner of the Supply Chain Management Award 2017); followed by a get-together at Hypermotion Night (with live music)
- Supply Chain Simulation (November 20 22, 2018) Participants will have one hour to figure out how collaboration and interdepartmental cooperation equal success in a real-life scenario: The aim is to squeeze new life out of "The Fresh Connection," a fruit juice company, with the support of a "management team" that includes purchasing, production, sales, and supply chain representatives. Andrea Walbert (Managing Partner) and Stefan Hoogervorst (Director of Education; both of PMI Production Management Institute GmbH) will moderate on all three days.

About HYPERMOTION

Mobility and logistics become one – at Hypermotion in Frankfurt am Main, November 20 – 22, 2018.

Following its successful debut in 2017, Hypermotion returns as a platform for forward-looking issues with a focus on smart systems and solutions for mobility, transport, logistics, and digital infrastructure and offering an innovative program for the mobility and logistics industries. Core questions: How will digitization and decarbonization transform transportation systems? How can we find unique, intermodal solutions for logistics and mobility chains in smart cities?

The agenda blends seven interrelated topics: smart & digital regions, data analytics & security, synchronized & urban logistics, hypermodality (intermodal, multinational, digital), sustainability, monitoring & transparency, and connectivity. The event includes businesses of all sizes - from start-ups to large enterprises - together with researchers, policymakers, and representatives of professional associations. For the first time, the EXCHAINGE conference is offered both as a part of Hypermotion 2018 and as a standalone event.
