Picking your next adventure for you and your loved one just got easier!

Top 10 Most Romantic Instagrammable Destinations in the World

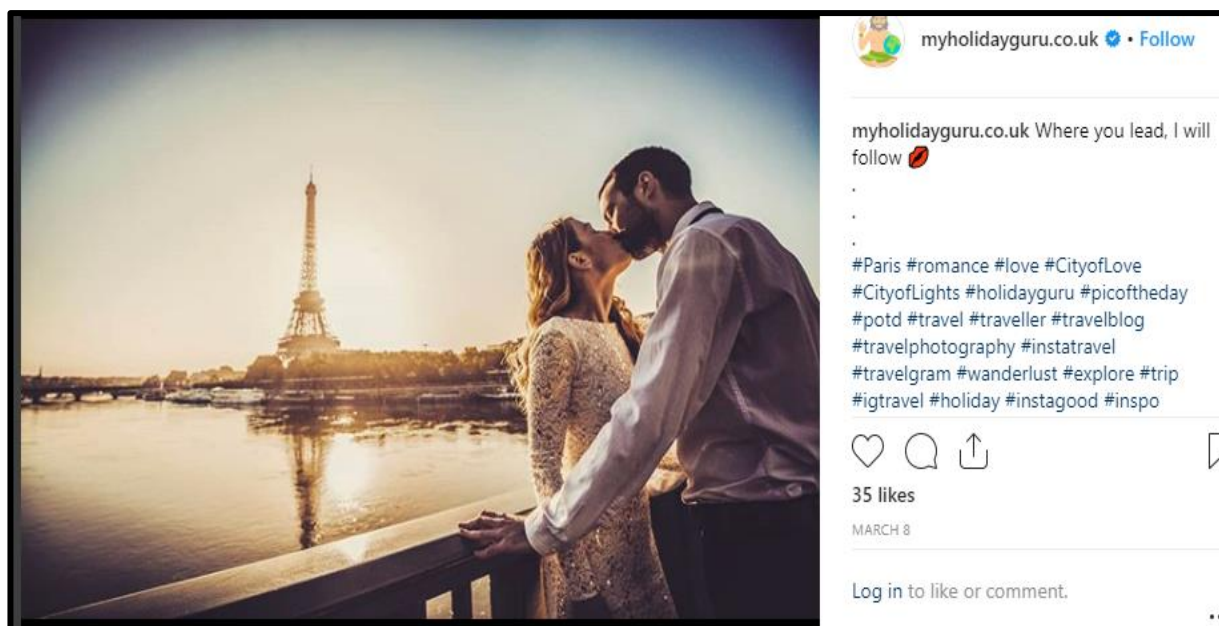

From alluring Paris to sun-kissed Bali, to sensational Singapore, each one of the following destinations have a certain je ne sais quoi which means taking a photo in any of these places will be very #instaworthy!

1. London

Walk in the footsteps of Will and Kate! London well-deservedly secures first place on our list. With 'love' one of the most popular hashtags used in London, the city has over 106 million posts on Instagram. The app is filled with pictures of world-famous icons such as the London Eye, the red double-decker buses, Camden street food and #momentcatchers doing a selfie kiss by the Thames.

2. Paris

Naturally, the City of Love has found its way on to our list. With more than 90 million geotags on Instagram, Paris is an extremely popular destination for romantic snaps. The winning combination of striking architecture, cobbled streets, stylish restaurants and elegant café culture makes it one of the most photographed cities in the world. A few hotspots include the Eiffel Tower, the Seine and the Louvre.

3. Barcelona

#BarcelonaLove and #VivaElAmor are some of the most popular romantic tags which are often attached to images of Park Guell or the golden stretch of coastline. As lovers meander throughout the city, they find themselves bathed in glowing Mediterranean light, surrounded by dancing fountains and accompanied by the sun strolling along Las Ramblas. This is the city that stole my heart and made me want to become a travel guru. Gracias, Barcelona!

4. Rome

The Colosseum, St. Peter's Piazza and the Roman Forum are the perfect backgrounds for an Instagram image. There are nearly 20 million gorgeous #rome posts showcasing peoples' adventures in front of breath-taking landmarks. Insider tip: hit up the Trevi Fountain with your partner and make a wish or two!

5. Bali

Bali is undeniably one of the most photogenic islands in the world. Imagine: dreamy infinity pools spilling over into turquoise oceans. Jungles encircled with lush palm trees, crystal-clear waterfalls, adorable wildlife and fiery sunsets. Absolutely everything about Bali screams #anotherdayinparadise. With every corner of Bali offering Instagram candy, I'm sure you will find a #pictureperfect moment.

6. French Polynesia

Sculpted by sky-piercing, verdant-green peaks and lined with intense sapphire lagoons, sultry French Polynesia is a place to take it slow and experience laid-back island culture. Take up the challenge of the best sunset picture game; you will be at it for hours on this Oceania island. There's something so romantic about sunsets. Aside from your partner, you've found another sight that can take your breath away in #borabora.

7. Kyoto, Japan

Kyoto is synonymous with subtle intimacy. A city like no other, Kyoto is different in every season and there really is no one best time to visit. Spring brings cherry blossoms and crowds flock to capture images of delicate pinks in seas of cherry trees. Summer and autumn offer a splendour of vivid colours in emerald gardens, while winter offers views of snow-capped mountains. Irrespective of the weather, any type of couple – culture vultures, passionate historians, foodie aficionados and adventurous souls – will be enchanted at every turn.

8. Venice

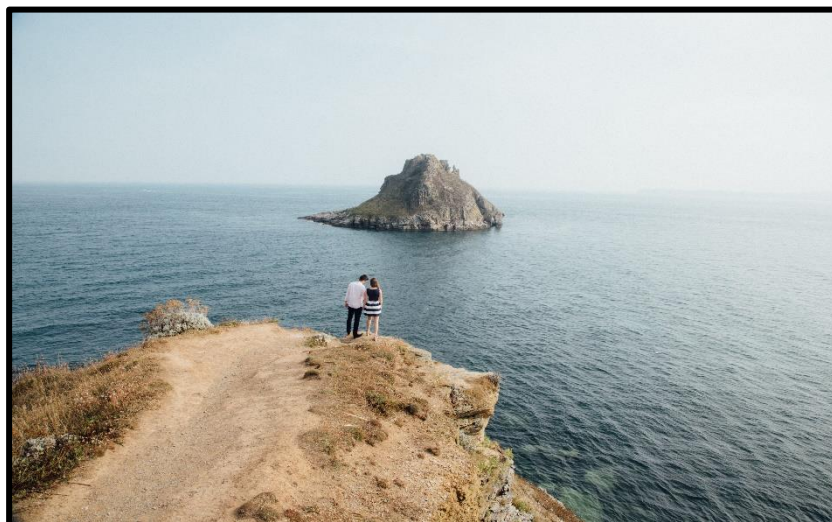

With hubby in hand, stroll through the labyrinth of colourful streets and you will soon enough find yourself snapping away numerous pics of classic Italian charms! After you post a stunning picture with your sweetheart on a quintessential gondola down the Grand Canal, post another one of your mouth-watering pizza in stunning St. Mark's Square. You're allowed to double-post - you're on holiday!

9. Singapore

Home to venerated restaurants, beguiling rooftops, a cutting-edge skyline and architectural masterpieces, Singapore is forever on the cusp of reinvention. Singapore is not commonly thought of as a romantic destination, but I can reassure you the sparkling lights of #Marinabaysands and #gardensbythebay never cease to dazzle couples in love. Take a dip in one of the limitless pools you seem to find floating around the city while stealing some kisses from your sweetheart.

10. English Countryside

Aaaah the English Countryside, a storybook of honey-hued villages, unspoilt country paths, and stone buildings that contain a toasty fireplace. England's rural areas are full of romance, historic charm, and quirky treasures. You are guaranteed to find inspiration in Thomas Hardy's dreamy Dorset or get lost in the enchanting hamlets dotted throughout the Cotswolds. With such a plethora of British beauty, it's no surprise #cotswold is just shy of 80,000!
