Democracy in Europe Movement 2025

PRESS RELEASE

**Thessaloniki will be the stage of the biggest anti-war rally concert in Greece on May 8th, organised with the support of Brian Eno and Roger Waters, amongst others**

*Brussels, May 2d 2022*

An anti-war rally concert will be held in Aristotelous Square in Thessaloniki on Sunday, May 8th at 4PM CET, with the participation of many surprise musicians from different music genres, from folk to rock and jazz.

Organised by the Union of Musicians of Northern Greece, in collaboration with the Panhellenic Musician Union and with the support of DiEM25 and MERA25 in Greece, the anti-war rally concert aims at spreading a very clear message against the war in Ukraine, and against every invasion and every expansionist and fascist policy.

The organisers and supporters also join forces to demand solidarity to all refugees at all times, no matter what their country of origin is, and the abolishment of nuclear weapons as two measures that can radically reduce the negative impacts of war in our world.

Dimitris Zervoudakis, President of Union of Musicians of Northern Greece, is available for interviews.

Democracy in Europe Movement 2025

### **About DiEM25**

DiEM25 is a pan-European movement of democrats, united under the conviction that the European Union will only survive if it is radically transformed. The environmental, economic and coronavirus crisis have shown what real solutions for the majority and not the minority can only come about if we join forces across borders. This is the mission of DiEM25: through a coordinated effort, across Europe, to unite citizens and create enough energy to save the EU from itself. The EU will unite or disappear. We must act quickly, before it is too late: that is why we are the Democracy in Europe 2025 (DiEM25) movement.
