Port of Hafnarfjordur would like to issue a correction to the list of ship arrivals and agents at our port last December.

It was wrongly entered in the list as the agent of the cargo ship Silver Copenhagen, which had a train to Hafnarfjörður on 16-21. Dec. was Samskip. The ship's agent was Thor Ship. On behalf of Hafnarfjörður, I apologize for this error in registration.

Bestu kveðjur
