The Lenzing AG, which up until now has been traded on the "Standard Market Continuous" market segment, will switch to the Prime Market of the Vienna Stock Exchange starting on April 18, 2011. As of this date, the specialist for Lenzing will be UniCredit. With a market capitalization of about EUR 2.26 billion, Lenzing AG ranks among the largest companies being traded on the prime market of the Vienna Stock Exchange. The change in the market segment is an important step to increase the attractiveness of the Lenzing share for private and institutional investors. A share split already took place at the end of 2010 to facilitate trading of the Lenzing share.
