The 125000th Vectron POS system goes to Paris / German company ranks among the "Top Ten" of European manufacturers of POS systems / Export to 28 countries

Münster/Paris (ots) -

Anniversary at Vectron Systems AG: The listed German manufacturer of POS systems for hospitality, bakeries and retail trade delivered the 125000th system. The French brewery- and hospitality chain "Le Frog Pub" ordered the jubilee model, a Vectron POS SteelTouch, the top model of Vectron's product range. "Le Frog Pub" already uses about 40 Vectron POS systems in 9 branches. Vectron co-founder Jochen Fischer handed over the device to the company's manager in Paris together with the responsible French Vectron specialist dealer, OMC Gervais of Cuers.
