Today itelligence AG announced the appointment of Dr. Clemens Weis as Vice President, Managing Director Greater China, of itelligence AG. He will take up this position as of July 1, 2012. Dr. Ing. Dipl.-Inform. Clemens Weis, 47, has many years of international experience in the IT and service sector. For instance, he previously worked at the SAP Group for 16 years, most recently as Head of Project Engineering Center SAP Field Services EMEA at SAP Deutschland GmbH & Co. KG. The engineering and computer sciences graduate has in-depth international management experience, intensive contacts and a strong network in Asia. Dr. Weis will report directly to the Board of Management of itelligence AG.

Herbert Vogel, CEO of itelligence AG: "We will continue to significantly expand our activities in China and I am delighted that in Dr. Weis we have gained a very experienced manager with proven international experience."

Dr. Clemens Weis will take over the role from Andreas Leidloff, who established the branch in China for itelligence AG and expanded it extremely successfully. Andreas Leidloff has given the full-service IT provider itelligence a lasting positive profile nationwide as an SAP consultancy firm in the rapidly growing market of China. Andreas Leidloff will now assume the role of Integrations and Operations Manager Eastern Europe at itelligence AG in order to push ahead with itelligence AG's further growth in Eastern Europe.

Dr. Clemens Weis, itelligence AG: "With all its dynamism and drive, China is an extremely interesting market and I very much look forward to advancing itelligence's particular industry and SAP expertise in this market on a long-term basis. Our it.solutions already fulfill the requirements of our Chinese customers ideally. I am firmly convinced that the advantages of itelligence's solutions will enable us to increase the success not only of our current customers but also of many new customers."
