Wolford gains EUR 4 million from the sale of a lease option

Bregenz/Vienna, July 3, 2014. Wolford AG realizes net proceeds of about EUR 4 million from the sale of a lease option for a retail location in Switzerland. The sale is taking place on request of the lessor due to the planned renovation of the entire building complex, and will also lead to a pre-tax profit of about EUR 4 million in the first quarter of the current fiscal year 2014/15. Wolford intends to reinvest the proceeds from this sale in the expansion of its network of own retail stores in strategically important locations.
