For Mothers' Day 2016 THOMAS SABO presents a special edition of four new "The Infinity of Love" necklaces inspired by symbols of love. Two sophisticated highlights are the elegant heart-shaped pendants crafted from exquisite 925 Sterling silver or with delicate 18 carat rose gold plating set with an intricate, and lovingly detailed Zirconia pavé. Both styles are available as ready-to-wear-sets, complete with the matching necklaces. Simple, yet timelessly chic: two necklaces crafted from exquisite 925 Sterling silver or with delicate 18 carat rose gold plating round off "The Infinity of Love" necklace edition. The delicate pieces reveal an infinity-symbol forming the center of a heart shaped pendant symbolising the eternal love between a mother and child.

Feminine companion for every day: The elegant Karma Watch series combines timeless aesthetics with Far Eastern inspiration. The oversized crown design recreates the popular arabesque Karma Bead, making these watches a perfect treat.

Between 18th April and 8th May 2016, the four 'The Infinity of Love' necklaces will be available at the above-mentioned special prices and will also include an elegant gift card. Available from all THOMAS SABO stores, shop-in-shops, at www.thomassabo.com and from selected partners.*
