At the Annual General Meeting of Österreichische Post Aktiengesellschaft (Austrian Post), Vienna, held on April 11, 2019, the following resolution was passed with respect to item 7 on the agenda:

The trading in treasury shares is excluded as the objective of the acquisition. The authorisation can be exercised in two or more partial amounts and for the purposes of realising one or more than one objective of the company. This realisation may also be undertaken by a subsidiary (Section 228 Para 3 Austrian Commercial Code) or by a third party acting on a paid commission basis on behalf of the company. The undertaking of the acquisition by the Management Board may especially be performed in cases in which the shares are to be offered to employees, senior managers and members of the Management Board of the company or of one affiliated with it in conjunction with an employee participation programme, with a stock option programme and/or for purposes of being issued to a private foundation, whose primary purpose is to hold and administer shares for one or more of the above-mentioned persons (for example an employee participation foundation pursuant to Section 4d Para. 4 Income Tax Act.

b) The Management Board of Austrian Post can resolve to make this acquisition on an exchange. In such cases, the Supervisory Board has to be informed on an ex post facto basis of this resolution. An acquisition not made via an exchange requires the prior approval of the Supervisory Board. In a case of an acquisition not made on the exchange, this acquisition can be undertaken in a way excluding the proportionate right of sale (converse exclusion of right of procurement).

c) The Management Board is authorised for a term of five years, with this starting upon the passing of the resolution, with this according to Section 65 Para 1b AktG, with this requiring approval by the Supervisory Board, and with this not demanding the Annual General Meeting's passing of a resolution, to pass a resolution stipulating that treasury shares are to be sold or used in a way other than their sale via an exchange or via the making of a public offer, with this to appropriately heed the rules established for the exclusion of

subscription rights held by shareholders, with this especially applying to shares to be offered to employees, senior managers and members of the Management Board of the company or of one affiliated with it in conjunction with an employee participation programme or with a stock option programme and/or issued to a private foundation constituted for purposes of employee participation (for example an employee participation foundation pursuant to Section 4d Para. 4 Income Tax Act). The Management Board is also authorised to establish the conditions of sale. The authorisation can be exercised in two or more partial amounts and for the purposes of realising one or more than one objective of the company. This realisation may also be undertaken by a subsidiary (Section 228 Para 3 Austrian Commercial Code) or by a third party acting on a paid commission basis on behalf of the company.

d) The Management Board is also authorised, should the Supervisory Board so consent and should such be required, to reduce the share capital. This is to be undertaken through the withdrawal of treasury shares and does not require the Annual General Meeting's passing a resolution, in accordance with Section 65 Para 1 (8) last sentence and in connection with Section 122 AktG. The Supervisory Board is authorised to resolve alterations in the Articles of Association arising from the withdrawal of shares.

e) This resolution includes revoking the corresponding authorisation granted to the Management Board to acquire the company's own shares in accordance with the resolution on item 8 of the agenda passed by the Annual General Meeting on April 20, 2017.
