iWater Group Limited - Reinhard Lange becomes a new member of the Executive Board

London (ots) -

At its meeting on 01.10.2019, the Board of iWater Group Limited decided to appoint Reinhard Lange as an additional member of the Management Board with effect from 01.10.2019. With the responsibility for "Globalization & Logistics", the new Executive Board member will also be responsible for the company's operational growth.

From 1971 to 2013, Reinhard Lange held various positions at the logistics company Kühne + Nagel and from 1 January 2009, as Chairman of the Management Board, led the global player until the end of his contract. During his more than 40 years with Kühne + Nagel, Reinhard Lange has made a significant contribution to the development of the internationally successful logistics and freight transport company. His career at the company included international management positions in Hong Kong and Toronto.

Following his work at Kühne + Nagel, Reinhard Lange took the position of Chairman of the Works Council of Boehler-Uddeholm Precision Strip GmbH & Co KG and is Director of Lanetix Inc. in San Francisco and a member of the Supervisory Boards of Voestalpine Edelstahl GmbH and Boehler-Uddeholm AG.

"Reinhard Lange's experience, reputation and global network will be of valuable importance for the growth and expansion of our corporate group. The staple food water is the focus of our work and we are aware of this responsibility towards the environment. We are particularly pleased to have the support of a successful entrepreneur in implementing our global expansion strategy," said Miguel Fernandez, CEO of iWater Group Limited, who will focus on Operations & Sales in the future.

About iWater Group Limited

The iWater Group Limited from London, United Kingdom, develops, produces and sells products for the environmentally friendly purification of water. The company's own range of products bear the names 'AVPRO', 'BIO-MAX', 'Flow-Xcel' and 'XZIOX' and have been used worldwide since 2018 in agriculture, food processing, livestock farming and oil & gas.
