Magic Garden by THOMAS SABO - Spring/Summer Collection 2020 inspired by the highest level of craftsmanship and Rita Ora as the face of the campaign (FOTO)

Lauf/Pegnitz (ots) -

THOMAS SABO will launch the Spring/Summer 2020 Season with a wide range of new jewellery and watches: inspired by a magical garden, including hero pieces such as the hummingbird, kaleidoscope and dragonfly designs.

The new Sterling Silver Collection is adorned with fine stone embellishment in a mix of pastel and rainbow colours, highlighted by yellow gold plating and features that have been inspired by nature. The collection also incorporates matching watches, charms and reinterpreted classics that completes the range.

Commenting on the new THOMAS SABO Collection, global brand ambassador Rita Ora says: *"Spring awakening creates the desire for something new! Have the courage to be yourself and make your look your message. A style is perfect when it perfectly matches your look!"*

The THOMAS SABO x Rita Ora Collection is available from 11th January 2020 in THOMAS SABO shops, online at www.thomassabo.com and from selected partners. Each design is created with precision craftsmanship and characterised by high material quality.
