Brenntag opens new warehouse facility in Dongguan, South China

Brenntag, the global market leader in chemical and ingredients distribution, today announces the inauguration of a new warehouse facility in Dongguan, South China. The newly built facility is located in the province of Guangdong which is one of the largest economic provinces in China. Operations have already started.

Henri Nejade, Member of the Management Board of Brenntag Group and CEO Brenntag Asia Pacific: "We are excited about the start of our operations at Dongguan as its capabilities and ideal location will certainly enhance our position in the South China market and further enable Brenntag to provide more value-added services to our customers and suppliers."

On an area of around 39,000 m², the new Brenntag site features 24 storage tanks, 3,000 m² storage area for Class A chemicals and a 2,500 m² workshop and blending area for both solvents and inorganic chemicals. The Dongguan facility complies with highest safety and environmental restrictions and is located in a dedicated chemical park. Safety is always a top priority at Brenntag. Worldwide, the company operates in accordance with the "Safety First" principle as its most important value.
