Small gestures, big feelings: versatile THOMAS SABO gift ideas for Valentine's Day (FOTO)

Lauf/Pegnitz (ots) -

Thanks to THOMAS SABO, it is now easy to find small gifts to match the style of your loved one. The diverse creations and detailed designs from the international watch and jewellery brand have the right Valentine's Day present for every taste.

The new "Together" jewellery pieces impress with graphically modern designs. Two circular linked pendants decorate the handcrafted Sterling silver necklaces and bracelets, symbolising eternal connection and a memento of affection. For all lovers of a timeless look, the classic love symbol; *the heart*, is the right choice. In playful pendants and bracelets, partly refined with zirconia stones, THOMAS SABO reinterprets the expressive motif and effortlessly enables individual combinations. An additional sparkle in the eyes of loved ones conjures up declarations of love in the form of personal engravings, whether it's a message, number or symbol - every gift is unique.

The **Valentine's Day themed collections** are available in all THOMAS SABO shops, online at www.thomassabo.com and from selected partners.
