Brenntag Food & Nutrition announces a new and exclusive agreement with MANE for the distribution of its flavour and taste solutions in Spain, Portugal and Switzerland. Since February 2020 in Switzerland and March 2020 in Spain and Portugal, MANE's flavours and taste solutions are distributed exclusively by Brenntag Food & Nutrition. This new agreement is a great next step and reinforces the collaboration between both companies, which are already working together in Germany, Italy and the Nordics.

"We look forward to extending our good working relationship now also introducing MANE's products to the food markets in Spain, Portugal and Switzerland. Our customers will benefit greatly from our combined technical expertise and our ability to assist with innovation and product development. This extended partnership with Mane will enable us to grow the business in the Baking, Dairy, Convenience and Savory sectors quickly thanks to Mane's long flavor expertise and application laboratory resources assisted by our local technical teams," states Frank Haven, Vice President Brenntag Food & Nutrition EMEA.

"This new partnership will enable MANE to extend its presence to nearly full market coverage as well as seeing a number of new customers being serviced efficiently by the dedicated Brenntag teams.
