itelligence AG expands strategic partnership with SAP, Implementing SAP® Concur® solutions

Bielefeld (ots) -

[itelligence AG](#) is expanding its SAP® partnership with respect to [SAP® Concur®](#) solutions for travel management. As one of the largest SAP Concur partners, the globally successful consulting company now implements SAP Concur solutions in Asia and Europe, offering consistent service quality in these strategic regions.

"In light of the growing commercial demand for solutions in the area of software as a service, the portfolio from SAP Concur is of great strategic importance for itelligence," said itelligence AG CEO, Norbert Rotter. "We follow SAP's Intelligent Enterprise approach. With this background, itelligence figures once again among the top providers and pioneers in the consulting sector."

Until now, itelligence's SAP partnership in the area of SAP Concur solutions was limited to Europe. However, as of January 2020, it now covers wide parts of Asia as well, including India, Singapore, Malaysia and the Philippines.

Uwe Bohnhorst, COO, itelligence AG commented, "We are proud to be able to support our national and international customers in transforming and optimizing their business travel management processes in all important core countries."

SAP Concur solutions increase efficiency

The implementation of solutions from SAP Concur requires specialist know-how, which SAP experts at itelligence can provide to customers globally, and with consistent quality through the corporate network. Global players and SMEs with global operations alike can benefit from itelligence when integrating their solutions across the SAP Concur platform.

The cloud portfolio can add the greatest value when used in conjunction with SAP S/4HANA®, procurement solutions from SAP® Ariba® and SAP® SuccessFactors® cloud solutions for HR management. In combination, the SAP applications enable cost management across different business areas - from purchasing and human resources to all the steps involved in requesting, approving, booking, and accounting for business trips with SAP Concur. It is precisely this combination that the globally operating SAP consulting company, itelligence AG, now offers.
