[Ort] (ots) -

Bacula Systems (https://www.baculasystems.com/) today announced that TrustRadius has recognized its product, Bacula Enterprise, with a 2020 Top Rated Award.

With a trScore of 9.6 out of 10, Bacula Enterprise is recognized by the TrustRadius community as a valuable solution in the Data Center Backup software category.

"Bacula Enterprise has earned a Top Rated Data Center Backup Solution award from TrustRadius based directly on customer feedback," said Megan Headley, VP of Research at TrustRadius. "Reviewers frequently highlight Bacula Enterprise's support for multiple systems, as well as its excellent customer support."

Since 2016, the TrustRadius Top Rated Awards have become the industry standard for unbiased recognition of B2B technology products. Based entirely on customer feedback, they have never been influenced by analyst opinion or status as a TrustRadius customer. Here is a detailed criteria breakdown (https://www.trustradius.com/static/about-trustradius-scoring) on the methodology and scoring that TrustRadius uses to determine TopRated winners.

Hear from verified users how much they value Bacula Enterprise:
