itelligence expands into Finland by acquiring leading consulting company within Human Capital Management (HCM)

Bielefeld /Helsinki (ots) -

The global SAP Partner itelligence acquires the SAP consultancy firm Pasafin Oy in Finland and with this acquisition, itelligence is now also represented in Finland strengthening the position as one of the leading SAP consulting groups in the Nordic region.

[itelligence | NTT DATA Business Solutions](#), the leading SAP consultancy worldwide, is expanding its presence in the Nordic region. With effect from December 1, 2020 itelligence takes over the consulting firm [Pasafin](#) in Helsinki, Finland.

Norbert Rotter, CEO of itelligence | NTT DATA Business Solutions, comments: "With the acquisition of Pasafin, the leading SuccessFactors partner, itelligence is now also present in Finland. I am looking forward to working with Pasafin, the specialists for HR matters and cloud transformation. We're going to use this expertise to expand our position as the leading SuccessFactors partner throughout the Nordic region."

Pasafin, founded in 2005, is a well-known Finnish consultancy business that decided early on to specialize in consulting services for cloud-based SAP solutions, such as SAP SuccessFactors for the field of human capital management. The company has a network of many well-known Finnish clients and is also a sought-after consultancy for companies operating internationally.

"We are looking very much forward to being part of itelligence. itelligence is a very successful SAP partner both globally and locally in the Nordic region and we are convinced that this will be a perfect match to our strategy of expanding our footprint and to continue having an excellent reputation of delivering services on time and on budget with high quality," says Anne Hiljanen, founder of Pasafin. "Personally I am especially pleased of the matching values, growing capabilities and HR knowledge, creating additional value to our customers in Finland", Anne continues.

The founder of Pasafin, Anne Hiljanen, as well as the management team and the other employees of Pasafin will continue their careers at itelligence as part of the Nordic HCM team headed by Morten Bjerregaard.

"I'm very excited to welcome the team from Pasafin. They will strengthen our position in the Nordic region and are a perfect match to itelligence's strategic approach to HR and HR transformation, and what our DNA is - to create value for our clients' HR organizations by implementing and deploying business-oriented solutions that are as global as possible and as local as necessary," says Morten Bjerregaard, Head of Human Capital Management, itelligence Denmark.

Growth via cloud strategy

Over the coming years, itelligence will continue to pursue the ambition of being the preferred SAP Full Service Provider in the

Nordic region. Nicolaj Vang Jessen comments:

"For several years, it has been our strategy to get feet on the ground in Finland and with the acquisition of Pasafin we have now succeeded. I believe we have the best possibilities to grow further," and concludes:

"We are seeing a growing interest in Cloud solutions from our clients and itelligence has already supported many Nordic companies in implementing SAP Cloud solutions within several business areas. With Pasafin's experience in SuccessFactors, we expect a significant expansion of our Cloud business and see it as an important driver for our continued growth in the Nordic region."
