Modern classic: THOMAS SABO presents Autumn/Winter Collection 2021*Lauf/Pegnitz (ots) -*

THOMAS SABO is launching its new Autumn/Winter Collection 2021 and expanding its portfolio with timeless creations that combine classicism and modernity in exciting combinations.

The finely handcrafted pieces of jewellery are characterised by intricately crafted details. 925 Sterling silver, the DNA of THOMAS SABO, is at the forefront of the designs and has both a shiny polished finish and a blackened finish.

Accentuated chain links and cultured freshwater pearls are the contrasting eye-catchers of the pieces in the Pearls & Chains series. Furthermore, coins and hearts on rings, as pendants or as stud earrings take centre stage together with link chains and bracelets and can be personalised.

The Sparkling Heritage series is a homage to iconic THOMAS SABO designs in 925 Sterling silver. The focus is on hand-set white zirconia stones: in high-quality baguette cut on the rivière bracelet, on sparkling drop earrings in a precise octagon cut or on a statement ring embellished with a bed of shining zirconia.

The THOMAS SABO Sterling Silver Collection stands for the highest standards of design, craftsmanship und precision. As part of the TS EXCLUSIVE portfolio, the Autumn/Winter Collection 2021 will be available worldwide from 8 July exclusively in THOMAS SABO stores and in the online shop at www.thomassabo.com.
