Financial Figures/Balance Sheet/Earnings Forecast  
09.11.2021

Ried im Innkreis - In the disputes with a supplier dating back to 2011, decisions have now been made against FACC that, contrary to the expert opinion of FACC's lawyers, could not have been expected in this form.

For this reason, the current EBIT guidance for the fiscal year 2021 cannot be met and is revised to an EBIT range of EUR -25 to -30 million.
