As Chief Kindness Officer, [Hart](#) brings joy to children and parents across the country, bringing them smiles, holiday cheer, in addition to a very big surprise.

Hart, using all his "heart," recently delivered holiday cheer to three household heroes via an unexpected video call, telling them they won a complete collection of STEAM starter kits and games by Osmo, in addition to a tablet. The three lucky parents, who entered into Osmo's [holiday giveaway](#) in November but had not received any notification of final result, were incredibly surprised and overwhelmed by the actor's call telling them "you won!"

As a father of four including two toddlers, Hart loves to see his children engaged in STEAM technology, which helps them learn core subjects, while they play.
