DENVER (ots) -

--News Direct--

[Velocity Global](#), the leading provider of global talent solutions, today announced its expanded operations in Croatia to meet rising demand for its business solutions. The company's leading-edge Global Work Platform™ provides a solution for businesses and talent to work with anyone, anywhere, anyhow.

"Croatia is rich in talent and equipped to meet the needs of the growing remote workforce, which is why this expansion of our presence is a perfect fit," said Laura Isaza, Velocity Global vice president of international PEO growth strategy. "Croatia will offer us the opportunity to expand the global talent pool for companies eager to recruit the very best employees."

Figures recently released by the European Union credit young people in Croatia (ages 16-24) with having the [best digital skills](#) in Europe, and the country boasts the [highest English proficiency](#) in Central and Eastern Europe and the Commonwealth of Independent States.

The expansion into Croatia comes after Velocity Global recently raised [\\$400 million in Series B funding](#) and announced that the company's workforce [will double in size](#) in 2022. With Croatia, Velocity Global now operates 29 entities in the EMEA region (Europe, the Middle East, and Africa).

Velocity Global's solutions allow businesses to hire talent regardless of where either one is located, including in Croatia. The company's Global Work Platform™ allows businesses to seamlessly manage their contracts with employees in a way that fully complies with local laws and regulations. The expanded presence and establishment of a new entity in Croatia enables Velocity Global to meet the growing client demand for these solutions in the country.
