## Invitation to Press Conference / Klimt Painting: Auction House im Kinsky Presents Rediscovered Portrait of a Young Female

Vienna (ots) -

The Viennese auction house *im Kinsky* will present a rediscovered masterpiece of Austrian Modernism in an exclusive auction in April 2024.

The painting from the late creative period of Gustav Klimt, the leading protagonist of fin-de-siècle Viennese modernism, was previously considered lost; its rediscovery is a worldwide sensation.

The auction house *im Kinsky* in Vienna is delighted to present this painting for the first time at a press conference—a work unrivaled in rarity, artistic significance, and value that has not been available on the art market in Central Europe for decades.

The press conference will take place on Thursday, January 25, 2024, at 10:00 a.m. at the *Stadtpalais Liechtenstein*, Bankgasse 1, 1010 Vienna.

Speakers:

- Dr. Johann Kräftner, Director Emeritus *LIECHTENSTEIN. The Princely Collections*
- Claudia Mörth-Gasser, Head of Classical Modernism at *im Kinsky*
- Dr. Ernst Ploil, Managing Director of *im Kinsky*
- Michael Kovacek, Managing Director of *im Kinsky*
