NTT DATA Business Solutions Receives four SAP® Pinnacle Awards 2024 and is a Finalist in five Categories

Bielefeld, Germany (ots) -

NTT DATA Business Solutions today announced that it received four 2024 SAP® Pinnacle Awards, which recognize its outstanding contributions as an SAP partner, in the categories "GROW with SAP", "Intelligent Enterprise Value Realization", "Customer Success Management" and "Partner-Led Demand Management". The leading global consulting company specializing in SAP technologies for small to midsize enterprises (SMEs) was also named a finalist in five categories: "Delivery Quality", "Sales Success – Cross Segment", "Sales Success Midmarket", "Business Process Transformation" and "Social Impact". SAP presents these awards annually to the top partners that have excelled in developing and growing their partnership with SAP and helping customers run better. Winners and finalists in 26 categories were chosen based on recommendations from SAP, customer feedback, and performance indicators.

"The SAP Pinnacle Awards showcase the outstanding contributions of our ecosystem throughout the entire customer value journey. Winning partners are recognized for successfully enabling their customers to bring out their best through innovative cloud services and solutions," said Christian Klein, CEO and Member of the Executive Board of SAP SE.

"As a long-time SAP partner, we are delighted to receive these awards. The Pinnacle Awards recognize the world's best partners, and with four wins and five finalist positions, we are the top-winner this year. This outstanding result is a clear signal to our customers and to our entire team, which has delivered a strong performance," said Norbert Rotter, CEO of NTT DATA Business Solutions and EVP NTT DATA, Inc. "I am particularly proud of the awards in the 'GROW with SAP' and 'Intelligent Enterprise Value Realization' categories, which confirm our future-looking direction. The successful transformation of the mid-market to the public cloud in the past fiscal year shows that we are highly competitive and we will continue this successful path. In addition, it remains our goal to cover integrated, end-to-end business processes with SAP S/4HANA Cloud and other solution areas based on the SAP Business Technology Platform (SAP BTP)."

SAP Pinnacle Awards shine a spotlight on distinguished partners to acknowledge their dedication to teamwork, exceptional innovation, and capacity to help customers achieve their goals. The Pinnacle Awards is SAP's premier global partner recognition and award program, with an elite group of only 16 partners worldwide to achieve winner status for this year. Winning four out of 26 awards showcases NTT DATA Business Solutions' excellence in driving SAP business and co-innovation, serving customers the best way possible.
