Vermeg Appoints Tarak ACHICH as CEO to Accelerate Growth and Innovation

Amsterdam (ots/PRNewswire) -

Vermeg, a global leader in financial software solutions, is pleased to announce the appointment of **Tarak ACHICH** as its new Chief Executive Officer, effective April 2, 2025. With over **30 years of experience** in capital markets, banking, and insurance, Tarak brings a wealth of expertise and a strong track record in leadership, management, and driving growth. He has held executive roles at **Groupe Cr dit Mutuel Ark a**, **Oddo & Cie**, and **Euronext**, and served on the **Vermeg board from 2008 to 2021**.

This appointment represents a key strategic move as Vermeg strengthens its leadership in **Collateral Management** and **Insurance** — two core areas where the company continues to drive market-leading innovation. With Tarak at the helm, Vermeg aims to accelerate its focus on delivering high-value, cutting-edge solutions to financial institutions across Europe, the UK, the Americas, and APAC region.

Alongside this leadership change, **Badreddine Ouali** has been appointed **Chairman of the Supervisory Board**, and **Marwen Han feh** has been appointed **Chairman of the Management Board**. Both will continue to work closely with Tarak on Vermeg's strategic initiatives, ensuring continuity and alignment with the company's long-term growth ambitions.

"Tarak's leadership will play a pivotal role in advancing our growth strategy and continuing our mission to deliver innovative solutions in Collateral Management, Insurance, and beyond," said Badreddine Ouali, Chairman. "His vast industry experience and vision will ensure Vermeg remains a leader in financial technology, creating lasting value for our clients and partners."

About Vermeg

Founded in 1993, **Vermeg** provides specialized software solutions for the **banking, insurance, and wealth management** industries. Serving over **160 clients in 40+ countries**, Vermeg helps financial institutions streamline operations and accelerate digital transformation. Headquartered in **Amsterdam**, Vermeg has offices in **16 countries** and employs over **1,000 people** worldwide.
