Alain Visser, Opel's Executive Director of European Marketing, met today with the hip, underground Barcelona-based band, the C.M.O.N.S. to present them with a new Opel Corsa. The band - featuring members White, Moo, Blue, Red, and Cherri - has reached cult status after spending the summer filming a 'rockumentary' with MTV called Under The Radar (www.mtvutr.com).

We're excited that the C.M.O.N.S. have chosen the new Corsa as their official wheels, said Visser. Their unique style is an ideal match for the dynamic personality and fun attitude of the new Corsa.

Frontman and lead singer, Blue, replied, C'mon.
